

# MANFRED NEUWIRTH

www.manfredneuwirth.at

born 1954

director | producer | cinematographer | media artist

in the areas of film | video | sound | installation

founder member of Medienwerkstatt Wien

visiting professor University of Art and Design Linz

*Manfred Neuwirth walks a fine line between documentary film, innovative cinema and new media. He describes himself as an "explorer, archivist, photographer and sound seeker": Neuwirth has undertaken numerous journeys while filming, but is also an "ethnographer" of his own culture. His interest lies in day-to-day life, in the seemingly ordinary and in the sensory elements of the medium.*
